Dear Court Clerk,

My reason for writing is due to the recently passed two point level reduction U.S.S.G. Amendment 782. I wanted to know if this District Court had a system in place to automatically give drug offenders that are eligible their two point level reduction or will each offender have to file on his own. If the later is the case then I would like to ask the court to please appoint me counsel to help assist me on this issue. Below I have included general information pertaining my case if any is needed. Thank you in advance for your time and help. May GOD bless you and keep you.

Sincerely,

Alvaro Larios
